## **League Representative Informational Guide**

Thank you for choosing to work as league representative to the PSCA. Organizing the coaches in your league will assist the PSCA in assuring that the players and coaches in your league get recognized at the state and national level.

**Please be aware that the deadline for leagues to report all information to the PSCA is November 1st of each year. This deadline is imposed so that the PSCA can meet the NSCAA deadline. Meeting the NSCAA deadlines ensures that our players and coaches have the opportunity to receive Regional and National honors. *It is important for you to contact coaches, hold all-star voting and get paper work to the PSCA before this date.***

Below is a checklist for items that are needed by the deadline. If you can't attend to these tasks, forward this material to another coach within your league and contact me with the change.

- 1. Collect Membership Dues- Membership is mailed by League Representative.**  
Application Form is on-line. The League Representative may choose to use a spreadsheet and just list the coaches and the information on the application in your spreadsheet. You can use the same sheet each year and make changes if needed. Use the Summary Membership Form and send check(s) with applications or spreadsheet to:

- 2. Select All-State Players(s) – Based on the Total Paid Head Coach PSCA Membership.** (See chart below). Head coaches or League Representatives must complete the All-State form **on-line**. To be considered for NSCAA Regional All America or NSCAA All America, the coach must complete the NSCAA form. *(Please note, a coach must be a NSCAA member to have a Regional All-America Player. The coach must nominate that player by typing the NSCAA form. All PSCA All-State Players are eligible to be All-Region players.)*

## STATISTICS FOR THE MALE/FEMALE SIDE OF THE GAME

**MAIL To:**  
**Patrick Birns; 213 Westley Place**  
**Allentown, PA 18104 birnsp@gmail.com**

DIRECTIONS AND COMMENTS: This paper will serve as a guide for the categories available. Send in your stats on other paper and keep this as a reference. These stats are for high school level of play only. The numbers should reflect anything from your total games played, not just league play, but your overall record for that playing season(s). District refers to the divisions of Pennsylvania. All years on this sheet should be recorded as a school year. If the record relates to the 1994 soccer season it should be recorded as the school year 1994-1995. After the coach puts together these stats, send them to your League Rep. He/She in turn will mail them to the PSCA Statistician.
